Hello, my name is Amber Bryant and I am the founder of [www.shewritesit.com](http://www.shewritesit.com), a ministry dedicated to encouraging, equipping, and empowering you in your daily faith walk with Christ through prophetic writing and prayers. If you are looking to grow closer to Christ, subscribe for weekly updates and free spiritual resources.

Now that I have introduced myself, let me ask you a question. Did you know that physical healing is your divine right as a child of God? Many of us suffer and struggle with physical sicknesses, diseases, and infections in our body because we don't know that we are healed. Jesus paid for our healing when He took 39 stripes on His back and shed His blood for us on the Cross! Through His stripes we are healed Not going to be healed. Not could be healed. No, we are healed as in right NOW! Christ has redeemed us from the curse of the law which includes sickness and disease. So you don't have to go around sick and disease filled. You can declare yourself healed by the Word of God!

To help you claim your healing, I have created daily declarations based on scriptures you can speak over yourself everyday until you see the manifestation of your healing! Remember, you are **HEALED!** Not waiting to be healed. Not could be healed. **YOU ARE HEALED NOW!**
